To

Hon. Sri . A.B.Shetty , MLA,
Minister for Public Health ,
Madras

Sir

I have herewith enclosed the Resolution passed by the Executive Committee of our Branch Association requesting the Government to start the BCG campaign in our District at an early date . The incidence and spread of Tuberculosis in our District coupled with little or no facilities for the treatment of active cases in institutions force us to make this appeal to the Government . I request you to kindly treat this request as urgent and see that the BCG capaign is started here as soon as the monsoon is over . The members will ,I am sure render all cooperation in to the Government in this campaign .You will kindly inform me the nature of cooperation which the Government expects from the Association

Yours faithfully,

Hon.Secretary ,S.K.Branch ,IMA,
